

PHYSICS TUTORIAL CENTER — Fall 2024

Location: 2nd Floor Physics Building — Room 226A

If you are in PHYS 111, 112, 121, or 122 and are looking for help, the Physics Tutorial Center is here for you! Course instructors and physics graduate students provide one-on-one help on a walk in basis — no appointment needed! Below are times for specific instructors and TAs, but feel free to go anytime even if your instructor or TA isn't there!
